ASSESSOR USER GUIDE

System Workflow & Evaluation Steps

Project: QCI SAMAR | **Date:** February 2026 | **Version:** 1.2

---

1. Authentication & Access

- **Action:** Log in to the Assessor Portal using the provided staging credentials.
- **Dummy Credential:** * **User ID:** samar_evaluator_test
    - **Access Level:** Standard Assessor

2. Assessment Selection

- **Step:** Locate the "My Assignments" tab. Select a pending unit to begin.
- **Sample Record:** * **Unit Name:** *Alpha Tech Solutions*
    - **Reference ID:** QCI-2026-B1-001
    - **Assigned Date:** 01-Feb-2026

3. Execution Workflow (The Assessment)

Step	Action Required	Expected Data Input
01	**Identity Check**	Enter Udyam/GST Registration Number.
02	**SSL Verification**	Confirm Certificate Validity (e.g., *Valid until 28-Feb-2026*).
03	**Process Audit**	Upload workflow documentation for review.
04	**Evidence Capture**	Upload Geotagged site image (Max 5MB).

4. Data Submission & Validation

- **Field Validation:** Ensure all mandatory fields marked with a red asterisk (*****) are completed.
- **Final Review:** Use the "Preview" button to check entries before finalizing.
- **Syncing:** If working offline, click **"Manual Sync"** once a stable connection is established.

5. Reporting Issues

- If you encounter a workflow error or a button is non-responsive:
    - **Take a screenshot.**

- **Note the Step ID.**
